SOLUTIONS FOR THE WORLDWIDE PUMPING INDUSTRY

Modern Pumping Today is a publication with solution-based content designed to keep the industrial pump, fluid flow, and rotating equipment markets engaged and informed. Our articles address key issues for the broad range of pump-reliant industries, such as water and wastewater, to specialty concerns, such as seals and control systems. Our publication targets key decision makers at all levels in the industry, including engineers, maintenance personnel, operators, municipal and government officials, contractors, and corporate managers. For advertisers, we offer a competitive rate in a publication designed for the very people you strive to influence.

Our audience has buying power, make sure your company takes advantage of our in-depth advertising opportunities and keep your product in front of our engaged readers. Our circulation has significantly increased for 2025 so take advantage of reaching our loyal readers and the new ones just waiting to be guided into their next purchasing decision. Explore our many features that are exclusive to Modern Pumping Today and designed to get you the results you need!

Programmatic Advertising Opportunities

Let *Modern Pumping Today* help you stay in front of the engineers, maintenance, and operations managers everywhere they go with their smartphones, work computers, or even when they are streaming TV. We have custom re-targeting programs available that allow your ad messaging to be front and center for pump industry pros as they check the news, sports info, play games, or anywhere they surf the net on their mobile devices. Want to get a better ROI on your next trade show? Try our geo-fencing and throw a "net" around the event contacting the attendees at the show.

Custom eBlasts

For true lead generation our custom e-Blast program will identify engineers, maintenance, and operations managers from our audience that are specifically interested in YOUR product, then we can tell you exactly who they are! We provide your sales team with name, company, address, email so that they can easily connect with potential new customers. New for 2025 our circulation has doubled and your message can now be sent to as many as 60,000 + pump industry pros!

Webinars

We have the audience; our loyal readers have buying power and we can put you in front of them! Let us host your next webinar and draw on the strength of our 13 years of experience with our pump industry professionals. We promote you through our magazine, website, and direct email campaigns to ensure your success. With our circulation increase for 2025, we can now market your webinar to more than 65,000 engineers and operations managers to ensure a great attendance for your next webinar!

Website

Our website (www.mptmag.com) is designed to make it easy for your customers to find exactly what they need and we offer a wide array of advertising products so that you can stay in front of them. Take advantage of prestigious high-impact web ad placements that keep you in front of our engaged and loyal pump industry pros you need to influence. We offer many exclusive opportunities to help your company stand out from the crowd.

Monthly eNewsletter

MPT deploys a monthly digital newsletter to 60,000+ pump industry pros, delivering news and solutions they have come to rely on. Don't miss the opportunity to be one of our sponsors on the e-News deployment and keep your products in front of this engaged group of engineers, maintenance, and operations managers.

PRINT & DIGITAL OPPORTUNITIES

Our Digital Audience Just Doubled in Size!

See the all-new digital edition of Modern Pumping Today and enjoy the benefits of our larger audience for 2025! We have doubled our digital reach from 30,000 to 60,000+ this year meaning we can deliver your message to twice as many pump industry engineers, maintenance, and operations managers as we did last year. There are new opportunities in our digital edition format that not only allows for your traditional ads, but also have your web style ads appear in key places throughout the edition. Have a video about your product, we can include video slots flowing naturally thru this new dynamic layout getting you in front of the right audience! Modern Pumping Today creates the content engineers, maintenance, and operations managers are searching for, so we have put in place top end SEO marketing to drive those searches for information into our digital edition and getting your message seen by those pump industry pros!

Why MPT Digital?

Although our digital edition mirrors the printed version of *Modern Pumping Today*, it also offers several advantages. The digital edition allows the reader direct access to your website, videos, social media, and email through the click of a button. This makes it easy to send a potential client where you want while their interest is at its peak. Company and product videos can be viewed two ways: embedded within the digital edition directly or through a pop-out button located within your ad. All our digital editions are archived on our website for easy reference to ensure long-term exposure to our engaged audience.

SPECIAL OPPORTUNITIES

Featured Product

Each month, one product from the entire industrial pump industry is promoted in our print and digital editions. This Featured Product is prominently placed on the home page of our website and included in our monthly eNewsletter. Be sure to send us information on your product(s) for possible inclusion in the Products Section of *Modern Pumping Today*.

Special Issues

Modern Pumping Today produces two special issues a year: the "Products and Services Guide" in April and the "Buyers Guide" in November. The goal of the Products and Services Guide is to act as a resource for industry professionals looking for product information and service options for their business. The November issue highlights manufacturers and includes a company directory categorized to help our readers find exactly what they need. Both issues allow an elite group of manufacturers to describe their company and/or product in an editorial piece accompanied by their ad.

Trade Show Promos

Take advantage of our special promotional sections leading up to key industry trade shows by featuring your company's presence. Prior to the most important trade shows for our industry, MPT will highlight the top exhibits we suggest pump industry professionals make a point to see through this special promotional section. Contact your media consultant for details and how to qualify.

Cover Ear

Imagine your company name and logo on the cover of an industry-leading magazine. That's possible with *Modern Pumping Today*. Magazines are often placed on desks, racks, and shelves with the cover facing up, allowing passersby to see the cover as well as the intended recipient. A cover is seen by more eyes than any other page of a publication, which ensures any image or wording placed on a cover is most likely to be seen. Take advantage of this cover-placement branding opportunity.

MPT's Podcast: The Efficiency Point

The Efficiency Point, a podcast from *Modern Pumping Today* magazine, delivers relevant content for industrial pump professionals, wherever they are, on demand. Each episode of the Efficiency Point covers the wide breadth of the worldwide pumping industry with breaking news, insightful interviews, and sneak peeks at emerging technology. Sponsored content opportunities are available, from custom ad reads to interview segments.
